

Projected Vegetation Trends 2009 - 2100

Unvetted preliminary rush draft from developmental code

Matthew Leonawicz

January 20, 2015

1 Area Trends by Vegetation Class and Scenario

The below graph relates to figure 6.3 in the original document. This uses strictly ALFRESCO output.

1.1 Alaska

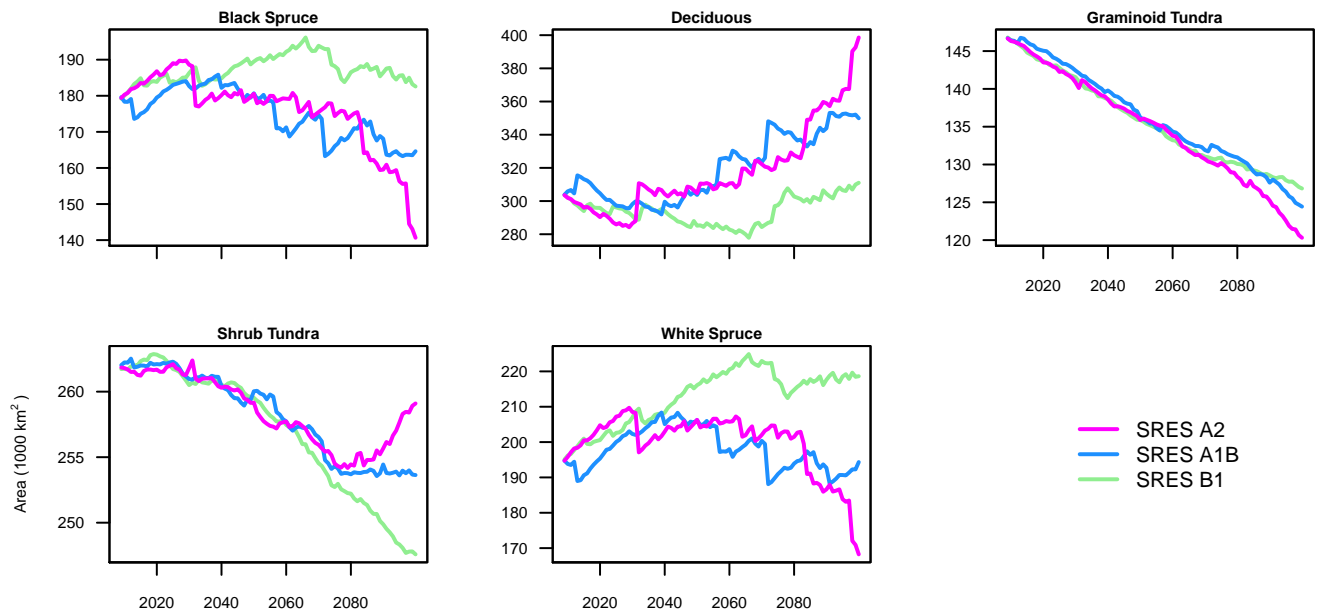

Figure 1: Alaska

All five following separate LCC graphs relate to figure 6.3 in the original document. This uses strictly ALFRESCO output.

1.2 Arctic

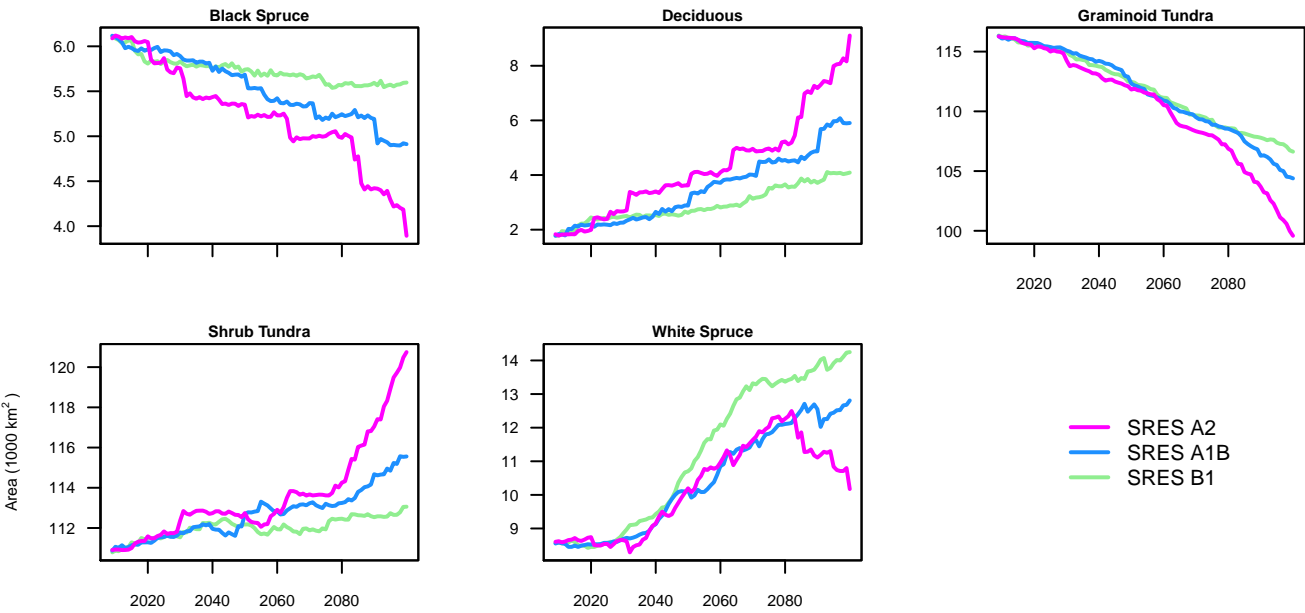

Figure 2: Arctic

1.3 North Pacific

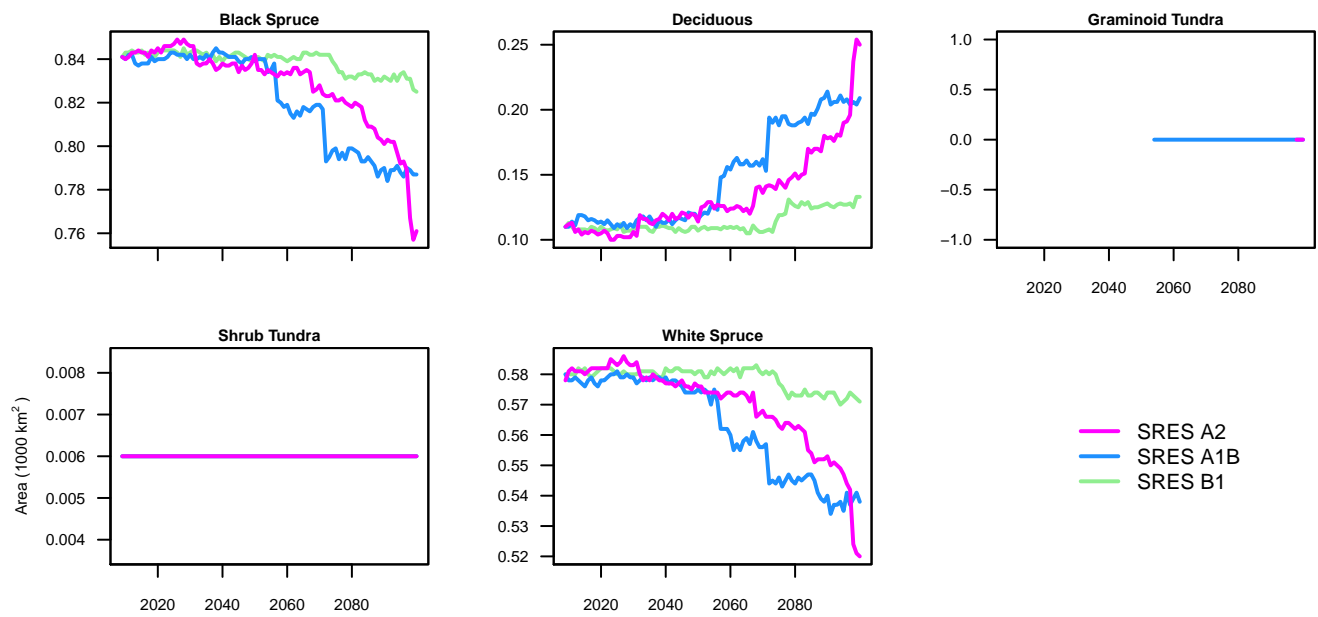

Figure 3: North Pacific

1.4 Northwest Interior Forest North

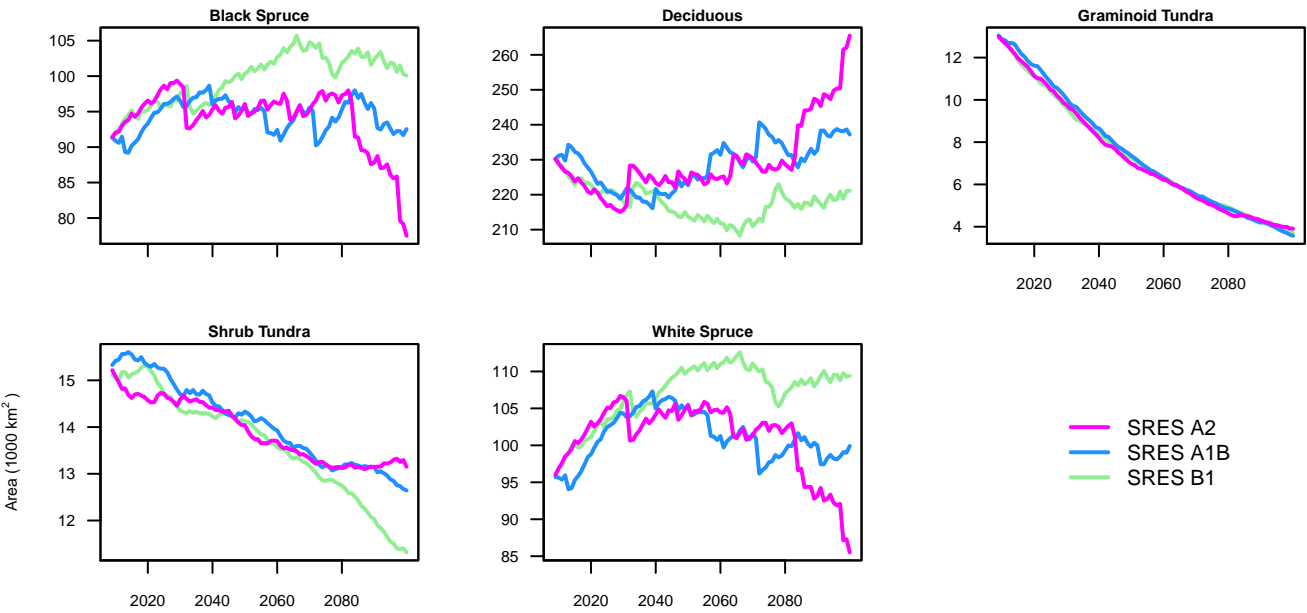

Figure 4: Northwest Interior Forest North

1.5 Northwest Interior Forest South

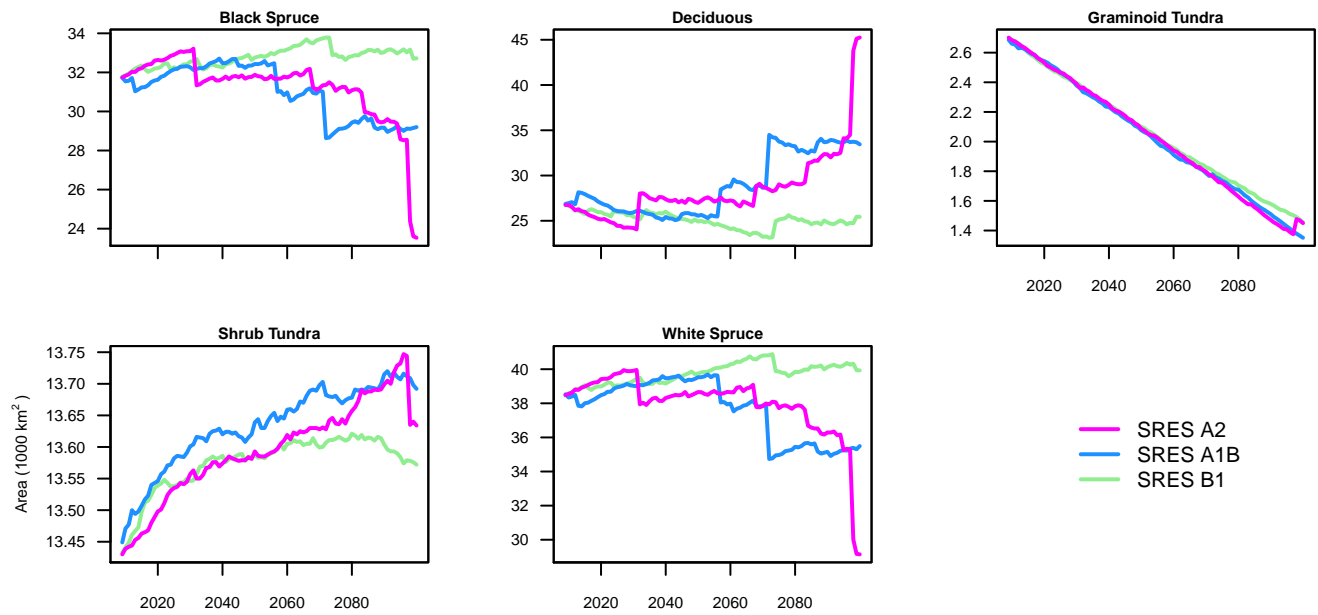

Figure 5: Northwest Interior Forest South

1.6 Western Alaska
